Ss Aidan & Oswald Primary Sport Premium

Academic Year: 2023-24 Allocated Funding: £ 18,990

At Ss Aidan & Oswald's School we are committed to providing all our children with the opportunity to discover and enhance their physical talents as well as giving them the chance to have experiences that they would not normally have during their daily curriculum teaching. We pride ourselves in a diverse, balanced and rich curriculum that enables our children to thrive and succeed to the best of their ability, helping them remember they are special in their own way and that God has provided them with their own talents. We offer a range of extra-curricular activities that are suited to the children and their interests and we hope it provides them with a lifelong love for physical development and well-being.

Key Priority 1: The Engagement of all pupils in regular physical activity
